Marking instructions:

Markers should read the candidate's response and make a holistic judgement about which band, on balance, **best** describes it. Within each band, marks are awarded for the candidate's overall level of performance. Once a band has been selected, markers should consider the descriptors as a whole and award marks according to how well the candidate has met these overall.

The following is given as general guidance to support consistent interpretation of the mark scheme:

- o Band 4: Candidates must meet at least two of the bullets to be placed within this band.
- o Band 1: Candidate's response must meet at least one of the four bullets to be awarded 1 mark.
- o If candidate's response fails to meet any of the bullets award 0 marks.

Bands 3 and 4, ('consistently' or 'mostly') can only be awarded if the text is an appropriate length (ie, approximately as specified by the question or longer).
